## **Assumptions Used in Arriving at Fiscal Estimate**

AB 773 repeals and recreates s. 97.57, Wis. Stats. Costs associated with this bill are one-time rulemaking costs. The amount should be minimal and would be absorbed within the agencies current budget.

The Department currently enforces labeling requirements for wild and cultivated rice. This bill repeals current ambiguous requirements and replaces them with clearer, better understood requirements. No additional inspection or enforcement actions would be taken by the department under the provisions of this bill.
